Data Notes:

This table of sales tax rates by state is updated on a monthly basis from various State Department of Revenue materials and commercial tax rate providers. Tax rates are current as of October 2018, and we will update this table again in November.

Many states allow municipal governments to collect [local-option sales taxes](#). For quick reference, this table includes the minimum and maximum local tax rates that occur within each state, as well as the sum of the state sales tax rate + the average local option sales tax rate.
